## Team Sponsorship Form

GAA would like to thank you for your consideration of becoming a team sponsor.

GAA is a division of Gwinnett County Parks & Recreation and will facilitate Bay Creek Park which is currently in the construction phase. Although the park is currently under development, GAA does offer limited sport programs such as cheerleading, football, basketball and other special events. GAA is also the only county association with an integrated program for children with disabilities.

With over 600 youth participants enrolled in current programs, individual teams often seek sponsorship funds to assist with the additional costs above and beyond registration fees that are associated with managing a team. All sponsorship funds are tax deductible as GAA is a non-profit organization 501C(3). (GAA's Tax Exempt #58-2587229).

Sponsorship checks should be payable to GAA and the team representative referenced on the subject line. Sponsorship checks may be provided directly to a team representative or mailed to our association at:

GAA  
 P.O. Box 206  
 Grayson, GA 30017
